Supported Employment

For further information
check out our website at
www.ace.arkansas.gov

What is it?

It is

- ★ A real job
- ★ In the Community
- ★ For real pay
- ★ For people that need assistance
- ★ To get and keep a job

What does it offer?

A job opportunity

- ★ Based on individual preferences, skills and abilities
- ★ Compensated with the same wages and benefits as other workers in the same job
- ★ Work alongside others who do not have disabilities
- ★ Ongoing support to retain employment

Who is it for?

- ★ Individuals with significant disabilities
- ★ Individuals for whom traditional competitive employment has not previously worked
- ★ Individuals whose competitive employment experience has been intermittent, interrupted or non-existent due to the severity of their disability
- ★ Individuals currently transitioning from school or in workshops, day programs or staying at home
- ★ May include but not limited to individuals with
 - ★ Intellectual or developmental disabilities
 - ★ Behavioral health issues
 - ★ Physical disabilities
 - ★ Traumatic brain injury

How does it benefit the individual?

- ★ Become employed taxpayers, contributing meaningfully to society
- ★ Develop to their fullest potential
- ★ Increase earning potential with less reliance on public assistance
- ★ Improve self-esteem, independence and productive activities

What are the Outcomes?

- ★ Greater job choice
- ★ Development of new skills
- ★ Enhanced self-esteem
- ★ Increased consumer empowerment and quality of life
- ★ Increased community participation
