

The Path to Success with ARS

Arkansas Rehabilitation Services for High School Students

Do you qualify?

You must have a physical or mental disability that keeps you from working.

Talk with your school

High school students or their parents should first talk with a teacher or counselor at your school about ARS.

Meet with an ARS Counselor

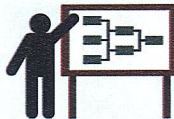

They will determine if you qualify for services. Counselors travel to all Arkansas counties.

Develop an IPE

Together, you will develop a special plan that shows how you will achieve your job goals.

This is called an Individualized Plan of Employment (IPE).

Assistance

Your ARS Counselor will help you choose your services needed to get and keep a job.

Qualification

You must be able to benefit from our services and plan to go to work.

Continue working hard in school

Do your best in your classes, but have some fun with extracurricular activities too!

Graduate

Walk across the stage and get your hard-earned diploma!

Begin working on your career

Thanks to your good planning, use your IPE to begin working on a successful career.

SUCCESS!!

Have a rewarding and successful career & life!

Arkansas Rehabilitation Services provides counseling, medical services, schooling, vocational training, equipment purchases and job placement assistance to eligible individuals.
